

YOU can be a mentor too!

Inspiring & Preparing
YOUNG PEOPLE TO SUCCEED

JA **Mentoring Men** is a program designed to help introduce more men to Junior Achievement and to inspire and support JA boys in special mentoring initiatives. We want to build a circle of support for young men, helping them prepare for life after high school. The goal is to build their confidence and skills for career, business, and financial empowerment.

Through 1/2 day mentor experiences, teens practice personal finance, learn from prominent male entrepreneurs and explore varied careers.

With a focus on confidence boosting and helping teens take control of their own financial and career futures, JA Mentoring Men mentors share their professional experiences to inspire.

This program is provided FREE of charge to the school thanks to our local funding partners.
